To prohibit Federal funds from being made available to teach the 1619 Project curriculum in elementary schools and secondary schools, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

Mr. BUCK introduced the following bill; which was referred to the Committee

A BILL

To prohibit Federal funds from being made available to teach the 1619 Project curriculum in elementary schools and secondary schools, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Saving American History Act of 2021”.

SEC. 2. FINDINGS.

Congress finds the following:
(1) The true date of America’s founding is July 4, 1776, the day the Declaration of Independence was adopted by the Second Continental Congress.

(2) The self-evident truths set forth by that Declaration are the fundamental principles upon which America was founded.

(3) An activist movement is now gaining momentum to deny or obfuscate this history by claiming that America was not founded on the ideals of the Declaration but rather on slavery and oppression.

(4) This distortion of American history is being taught to children in public school classrooms via the New York Times’ “1619 Project”, which claims that “nearly everything that has truly made America exceptional” grew “out of slavery”.

(5) The 1619 Project is a racially divisive and revisionist account of history that threatens the integrity of the Union by denying the true principles on which it was founded.

(6) The Federal Government has a strong interest in promoting an accurate account of the Nation’s history through public schools and forming young people into knowledgeable and patriotic citizens.
SEC. 3. PROHIBITION OF FEDERAL FUNDING FOR SCHOOLS TO TEACH THE 1619 PROJECT CURRICULUM.
