The Honorable William P. Barr
Attorney General
United States Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Attorney General Barr,

I write to request that the Department of Justice (DOJ) appoint a Special Counsel to investigate Mr. Hunter Biden's conduct and the contents of his laptop that is currently in the Federal Bureau of Investigation's (FBI) possession. This investigation is critical to defending the integrity of our republic and ensuring a potential Biden Administration will not be the subject of undue foreign interference. Americans have the right to know whether Mr. Biden's reported ties to foreign governments will make him the subject of blackmail attempts or other nefarious efforts to undermine U.S. national security or otherwise improperly influence American foreign policy.

As you know, the Attorney General is granted the statutory authority to appoint a Special Counsel under 28 U.S.C. § 515 and 28 CFR § 600 to investigate and prosecute any matter that would present a conflict of interest for the Department or other extraordinary circumstances. Similar to when the DOJ appointed Special Counsel Robert S. Mueller III, it is critical that this investigation continue free from political interference, no matter who is in the White House. We must guarantee the integrity of our government and the security of our republic.

As such, I urge the DOJ to appoint a Special Counsel to investigate Hunter Biden's actions and the potentially incriminating contents of his laptop to ensure this important investigation will be completed. Thank you in advance for your prompt attention to this request.

Sincerely,

A handwritten signature in blue ink that reads "Ken Buck".
